Dear Ones:

Thanksgiving! That's what I've been doing all year. Thanking God for the way He has worked in the lives of all the people we've been able to reach this year. I've also thanked Him for you and all those who have encouraged us, prayed for us and partnered with us to make 2005 an outstanding ministry year.

Wherever we have gone in the States and in Canada we have worked to make the Messiahship of Jesus an unavoidable issue to Jewish people. And through our *Behold Your God* campaigns and personal ministry, we've been successful. I can't give you exact numbers, but I know that thousands of people have been reached with the wonderful news of God's love.

Do you sense the fluttering and vibration of the Holy Spirit in this news? I could go on and on, but every forest could be cut down and every tree converted to paper and it wouldn't hold half the story of what God is doing. The fields are truly ripe to harvest and, along with the rest of the world, the Jewish people really do need Jesus. Your partnership and friendship through prayer and financial support is greatly and sincerely appreciated. I warmly invite you to partner with me in this exciting ministry.

Elaine and I join you in thanking God for His grace as we wish you and yours a joyous Christmas and Happy New Year.

Ever your brother,
